

SPAIN COFFEE CHAT

March 8th 2022, from 11:30 am to 1:00 pm EST (5:30 to 7:00 pm CET)

Funding opportunities in the field of civil protection and disaster resilience under HORIZON EUROPE program (civil security for society)

Learn from Spain's Center for Technology Development Innovation (CDTI) how to access the opportunities for security projects offered by the EU. You will hear about the framework, partnership possibilities, and examples of success.

SPEAKERS

Cameron Werker – U.S. Commercial Service, Senior Commercial Officer

Angela Turrin – U.S. Commercial Service, International Trade Advisor

Maite Boyero Egado – CDTI, Spanish delegate and national expert, Cluster 3 “civil security for society” program (HORIZON EUROPE)

Juan Román Martínez Arranz – Indra, Coordinator of VALKYRIES Project

José Francisco López – Spanish National Police, Chief Inspector – Head of Innovation and Development Service

PRESENTATION CONTENT

Funding opportunities in the field of civil protection and disaster resilience under HORIZON EUROPE program (civil security for society)

We invite you to learn about the Cluster 3 program (civil security for society), under the EU Research and Innovation (R&I) framework program – [HORIZON EUROPE](#), which funds opportunities to develop innovative solutions in different fields of security, such as disaster resilience, fight against crime and terrorism, border security, critical infrastructures protection or cybersecurity. The program is open for proposals between June and November, which includes the possibility of enhancing international cooperation with stakeholders in the USA.

Our forum for U.S. organizations will present in detail the funding opportunities for the 2022 calls, specifically on the disaster resilient societies. The speakers will focus on international cooperation possibilities and will provide examples of successful projects led by Spain with the active involvement of Spanish stakeholders, end-users, industry and academia. U.S. organizations can participate via local partnerships.

This event does not require pre-registration. Join us!!
